DISTRIBUTOR OF PRECISION ENGINE PARTS

Acme Impex Limited is a well-known export organisation engaged in technical development and supply of automotive and engineering components worldwide.

convenience, then you have come to the right place!

Acme's product range includes after market precision engine parts, accessories and engineered products for different market sectors. All these parts and accessories are developed strictly in conformance with the customer's drawings and specifications using modern but cost-effective methods.

Our clientele includes OEM and replacement market companies in USA, Canada, Europe, South East Asia and South Africa.

MRP SYSTEM - SAP: THE SMART CHOICE ON THE FAST TRACK TO SUCCESS

In the automotive and engineering industry, where traditional business models are transforming into transparent, customer-driven value chains, success depends on speed. Speed in product development and speed in delivery and service to dealers and customers. To stay on the fast track to success, integration of OEMs, suppliers, dealers, and customers is essential. Acme has realized the industry requirement and selected SAP as the back bone software system for the company. SAP is enabled to manage multi tiered networks of customers, suppliers and partners and maintain with ease all the critical data and information flow through out the company.

WE'RE DIFFERENT.

Acme Impex Limited brings uncommon strengths to the table during development and supply of components. We watch the world wide supplier base intimately, with a good understanding of its strengths and weaknesses. We know the right sources for meeting the required quality levels and we have a good idea of pricing structures.

We use strict and tested evaluation criteria for selecting the most suitable suppliers to meet the client's requirements of quality, cost and delivery. We are transparent in the supplier selection process with our clients and will gladly arrange a qualification visit by the client if so desired.

At Acme Impex Limited we work with customers, partners and industry experts and take complete responsibility for your purchase right from the supplier selection stage through to component development, sample approval, pilot supply and regular shipments including packaging and logistics.

Nirav Desai
— Director

Acme Impex Limited pays close attention to the quality parameters of the finished product. All the key elements of manufacturing, i reliability of products. All the cylinder heads go through stringent quality measure as per table.

HEAD TYPE	RATING ON PRESSURE TEST	SURFACE FINISH	CRACK TEST	HARDNESS TEST
Cast Iron	80 to 100 p.s.i.	0.8 to 1.00mm Ra	Magna flux	HB 160 -180
Aluminum	80 to 100 p.s.i.	1.00 to 1.50mm Ra	Randon Dye Check	HB 125 A
Crank Shaft	NA	Linish 280 Grit	Magna Flux	Nitride Surface

WARRANTY: ALL CYLINDER HEADS OFFER ONE YEAR MANUFACTURER'S WARRANTY – PRODUCT REPLACEMENT ONLY

NOTE: While our best effort has been made to provide maximum and correct information, Acme Impex Limited will not be responsible for any inaccuracies in the information contained herein.
